

The New York State Citizens' Coalition for Children (NYSCCC) needs your help to get NYS officials to create a statewide post adoption program. Not only is a post adoption services program the right thing to do for children and their families, it will save NYS money!

You can help by writing, emailing, or calling the following individuals and urging them to create statewide post adoption services. If you use the sample letter found below PLEASE REMEMBER TO ADD YOUR NAME AND ADDRESS TO THE SAMPLE LETTER.

After you send your letter please ask friends, families and anyone you know to also send a letter requesting NYS to provide statewide post adoption services. NYSCCC will also be visiting the legislators in person to promote post adoption services. Together we can make a difference.

Thank you,

Marie Dolfi, NYSCCC Board Advocacy Chair
